

Helping students discover the path to a Green Future

Respected Principal,

Rotary is a global network of 1.2 million friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves. Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world.

Encouraging children to understand the true value of our bio-diversity and natural capital, the SAVTHEARTH Olympiad is a pursuit of excellence that is about climate change, wildlife, pollution, save water, save resources, recycle-reduce-reuse and a whole lot of green fun and challenge. Students of Standards 5th to 12th of schools under CBSE, ICSE, IB and State boards can enroll for this Olympiad.

Why SAVTHEARTH Olympiad?

Every year, about 600,000 Indian children die of diarrhea or pneumonia, often caused by toxic water or poor hygiene. Habitat destruction, exploitation, and climate change are driving the loss of half of the world's wild animal population. Reading these facts have raised the curtain for awareness and what's the better way than create awareness among future generation. After all today's question solvers hold the key to find solution of all major problems.

Olympiad Schedule

SAVTHEARTH Olympiad will be organized in two rounds. Round 1 will be offline and Round 2 will be online. Round 1, requiring 40 minutes, will be organized class-wise in school premises (in between 15th July to 31st October 2019) in the following way:

- Assembling students in their respective classes
- Video Awareness Display before starting with Olympiad exam (15 min.)*
- Olympiad Exam (15 min.)
- Distribution and collection of question Papers (10 min.)

Participants scoring 80% and above in round 1 will qualify for round 2 which will be organized online. The qualified students will be sent the digital link for the round 2 and result of round 1 in 7 working days from the date of Round 1.

Requirement to conduct SAVTHEARTH Olympiad Round 1:

- Confirmation to conduct the Olympiad in between 15th July to 31st October 2019
- School premises to conduct the Olympiad
- Smart classes (if available) for video display*

Deliverables from Team SAVTHEARTH:

- Printed question papers for all the students and classes
- Materials for awareness video display
- School enrollment form
- Declaration of results

Prizes for the Winners (Pan India):

- eLearning App Scholarship worth ₹5.65 crores.
- Cash Prizes worth ₹11 lakhs.
- Get to interact with Celebrity and get their views on SAVTHEARTH.

Warm Regards

Rtn Anmol Chawla, President: RC Delhi Elite
